2.0 Results from Vote March 8

Only 8 students voted so the vote has been extended until the end of the day March 10.

The question was "I prefer Grad on June 11 or June 18

The results are leaning towards June 18

Grads present are to encourage their classmates to take part in the vote

3.0 Decision for date of:

3.1 Convocation: Results will be shared after vote is complete

3.1 Banquet: Discussion took place regarding having events on the same weekend vs different weekends. Concerns again voiced as to the lack of consultation prior to dates being picked. Suggestion for future Grads would be to not have the event in the middle of finals/diploma exams.

4.0 Fundraising:

4.1 Funds available are Approx.	\$4027.80(\$1000 brought forward)
Fall bottle Drive-	\$2492.80
Christmas Candy Grams-	\$375
Haunted House	\$195

4.2 Barbecue- Carmen is willing to help organize. Additional help would be great.

May 13 (Friday) at the COOP parking Lot

-Letter will need to go out to the COOP asking for their support. This has been drafted and will be finalized this week. We will ask for a donation of \$200 of product, supplies at sale or cost prices, use of their large barbeque and propane tank, use to the parking lot & use of their shade tent.

-Other letters of support will be sent out asking for support to cover the costs of the event. If you have any suggestions of who to send letters to please contact Carmen. Currently letters will go to North Parkland Power & Wolfe.

Wolfe will also be asked if they have a barbecue & propane tank to use at the school.

Team will be asked to support the Grad Class by purchasing a burger for the students at TCS. This has been done in the past, therefore a barbecue at the school is important.

- The goal is to raise \$2000

4.3 Purdy's

Likely to late in the season for this but Christine D will investigate it

4.4 Highway Cleanup (\$6000)
