### Old Business

**Casino Update:** held November 12 and 13, 2020. Everything went well. All positions were filled and everyone showed up.

**CanLit Book Program:** Questions have been raised if the school is still wanting to use this program this year. It is a part of TEAM's initiatives to spend this money. Mrs. Gargus is in charge of the ordering of books through the CanLit Program. She is very busy with all her other duties in the classrooms and there is no way to bring in extra help during the pandemic. The program will still be there but the school will not have the choice of the new books offered at that time. Justin will ask Mrs. Gargus if she wants to spend the time to order at this time or not. Tabled.

**Mom's Pantry Fundraiser:** The fundraiser closed this past weekend. 32 orders placed versus 36 last year. It went over well considering the time right now. Pick up will be December 1 – 4, 2020. Miranda will set up a drive thru pick up at the school once she knows the exact date of delivery.

### New Business

**Christmas Note:** Backwoods Energy is wanting to give a \$10.00 gift certificate to each student in the school for the cafeteria. The school is sending a treat bag home with each student. Ideas have been maybe sending a book in there or a bookmark. Ornaments are also an option but is it getting late to order these items. Justin will confirm treat bags and let us know if there is something we can add.

**Chamber of Commerce redoing sign:** The Chamber is redoing the large sign going into town. They may be wanting to put local groups on the sign.

**Emails to ratify:** none.

**New Requests:** The staff is looking into new ways to spend funds to help the students. Ms. Bratt had her class on a virtual field trip to Tyrell Museum. Mrs. Williams is wanting to have a virtual meeting with an extreme weather meteorologist from Toronto. Mrs. Schryver is looking into new musical instruments and Mr. Kiselyk is looking into new phys ed equipment as well. They will send the request forms in as they come in.

**Next Meeting:** January 18, 2021 at 6 pm via zoom.

**Adjournment:** 6:43 pm
