## **Parents**

Parents and guardians are an integral part of their child's education. Parents and guardians are welcome to contact the school during regular school hours to arrange appointments, or to leave a message for a teacher to contact them. Open communication is essential for student success.

To ensure the safety and best learning environment for our students and staff, we are asking for your support as we try to be consistent with having all visitors follow the following procedures:

- In order to volunteer within our school, a Criminal Record Check is required from the RCMP. Contact [TCS@asperview.org](mailto:TCS@asperview.org) for the package.
- All visitors are required to sign in and out at the General Office.
- If you are dropping your children off, please make every attempt to have them at the school by 8:35 so they are on time for class and morning announcements.
- We understand that situations arise when families are late. If this happens, please drop them off at the main doors.
- If you require your children before the scheduled dismissal time, please contact the office and the staff will be happy to call the classroom to have your child meet you in the office. This allows the office staff to update their attendance.

## **Allergy Aware School**

We are an “Allergy Aware” school, which means that we work to have effective practices in our school to reduce risks for students with allergies. Although we cannot guarantee an allergen-free environment, we will take reasonable steps to ensure a safe environment for those with life-threatening allergies.

Any school resource fees will appear on the PowerSchool Parent Portal. If there is difficulty in paying the fees assessed, parents/ guardians are asked to contact school administration to make alternative arrangements. Monthly installments are welcome. Grade 6 and 9 students are required to write Provincial Achievement Tests (PAT). PAT will be used for the student's final exam mark. If a request is made for a PAT writing exemption, the student will be required to write a teacher prepared final exam.

## **SCHOOL POLICIES & GUIDELINES**

### **Dress Code**

It is appropriate for students to wear items that will enable them to feel comfortable throughout the course of the day; however, it is equally important for them to dress in a respectful and dignified manner. We are asking families to monitor the clothing selection to ensure that it is appropriate for school wear. Students deemed to be wearing inappropriate apparel will be asked to change, add layers of clothing, or arrange for replacement clothing. No undergarments showing please. Clothing and accessories with wording or graphics, which are vulgar or clothing with the symbol or name of a substance deemed hazardous to one's health, are unwelcome. Breaches of any component of the dress code may result in the student being asked to change their clothes. Parents may be contacted to bring in appropriate clothing.

### **Cellular Phones, Wireless & Electronic Devices**

Cell phones and similar wireless devices are not to be seen, heard or used in teaching and learning spaces, unless a student is specifically directed by a teacher to utilize a device. This includes use as multimedia players and cameras.

### **School Guests**

Students are permitted to bring guests to school with prior school administration approval. All guests must report and sign in at the office.

### **After School Hours**
