4. How the school can help the parent/grads if decision is made to plan a banquet:
 - Our school can be used for in-person meeting location - please put in a meeting request to tcs@asperview.org or call the school office (780)398-3610.
 - Parent Question: *How will we be able to contact all grads/parents?* We can also help with communications to all grads via SwiftReach & Google Classroom any time parents provide information (per Feb 22nd minutes).
5. Action Items:
 - Email Mr. Amiot at tcs@asperview.org with decision as to whether parents/grads are going to move ahead with banquet planning by Monday, March 7th.
 - TCS will order gowns for convocation if the parents/grads plan a banquet.
 - If no banquet is planned, we will not rent gowns for convocation. For the past 2 convocations with no banquets able to be held, students have requested that they be able to wear their own personal attire. However we will order caps and tassels for grads to wear at convocation.
6. Meeting adjourned at 5:11 p.m.
